OBJECTIVE

Motivated and detail-oriented MCA student specializing in Generative AI, seeking an entry-level Software Developer / AI Engineer role where I can apply my skills in Python, Java, Machine Learning, Web Development, and AI tools to build innovative and scalable solutions. Passionate about Generative AI, data-driven technologies, and problem-solving with a strong willingness to learn and contribute in a collaborative environment.

EDUCATION

SRM University

Master of Computer Applications (MCA) with specialisation Generative AI

Kattankulathur, TN

July 2025 – Present

CGPA: 9.34

Anna Adarsh College for Women

Bachelor of Computer Applications (BCA)

Anna Nagar, TN

2022 – 2025

CGPA: 7.1

PROJECTS

Cybersecurity Enhancement using Integrity Assessment and Intrusion Detection

- Built a system to detect anomalies and assess system integrity to improve cybersecurity.

Speech Analysis using Machine Learning

- Speech Analysis using ML.

AI RAG Knowledge Bot

- Developed a full-stack AI-powered document question-answering system using FastAPI, React.js, ChromaDB, and Gemini API.
- Built a Retrieval-Augmented Generation (RAG) pipeline for semantic document retrieval and AI-based response generation. Implemented PDF upload, text extraction, vector embedding generation, and similarity search using a vector database.
- Designed REST APIs, integrated JWT authentication, and created an interactive chat interface for document-based conversations.

WORK EXPERIENCE

Web Development | Intez Technologies

Python Programming | InternPe

TECHNICAL SKILLS

Programming Languages and Frameworks: Python, SQL, Java

Tools: MS Excel, Git, ChatGPT, GitHub Copilot

Web Technologies: HTML, CSS, JavaScript

Database Management: MySQL

AI/ML: Machine Learning, Generative AI, TensorFlow, Scikit-learn

Core Concepts: Data Structures & Algorithms

SOFT SKILLS

Effective Communication, Teamwork & Collaboration, Problem-Solving, Time Management, Adaptability, Attention to Detail, Professionalism & Responsibility

CERTIFICATIONS

- Artificial Intelligence (Jyesta)
- Java Programming (NCTVE Certified)
- Java Full Stack (Edu Skills Academy)
- Machine Learning Using Python

LANGUAGES

English, Hindi, Tamil, Telugu, French
